Quotable

Wars should be over in three days or less...and the American people must be all for it from the outset.

– Evan Thomas

RANDOLPH BOURNE
INSTITUTE

About Us

MISSION

This site is devoted to the cause of non-interventionism and is read by libertarians, pacifists, leftists, "greens," and independents alike, as well as many on the Right who agree with our opposition to imperialism. Our initial project was to fight for the case of non-intervention in the Balkans under the Clinton presidency and continued with the case against the campaigns in Haiti, Kosovo and the bombings of Sudan and Afghanistan. Our politics are libertarian: our opposition to war is rooted in **Randolph Bourne's** concept that "War is the health of the State." With every war, America has made a "great leap" into statism, and as Bourne emphasizes: "... it is during war that one best understands the nature of that institution [the State]." At its core, that "nature" includes the ever-increasing threat to
